Sue to send out notice letter ASAP

Current Board Members have all agreed to continue on ballot.

Parking Violations:

Overnight parking on street is not allowed and is a Henry County Ordinance. Nicky reports has been sending warnings to resident on Woodwind with no response. Most nights 2 cars parked on street. Discussed that since is HC Ordinance (not CCR) that HC should be contacted.

Old Business:

Fencing/Curbing on Stonemill: all completed however curbing installers cut electrical wires when installing. No one notified Nicky so he noticed and repaired to prevent problem. Adrene will contact and have electrician return to repair electrical wires properly.

Adrene and Alford discussed how to communicate more quickly regarding payment with Rich Lawn Service and Colorburst.

Board to meet at 4pm before Annual Meeting on April 20th

Respectfully Submitted,
Sue Goodman, Secretary
